Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please use the attached instead of the Information Disclosure Statement (IDS) filed June 29, 2005. The attached corrects typographical errors in the initial IDS. No fee is due because this IDS is being filed prior to the first Office Action on the merits.

As suggested by 37 CFR 1.97, the documents listed on the attached Form PTO-1449 are brought to the attention of the Patent and Trademark Office. This is not to be construed as a representation that a search has been made or that no better prior art exists, or that a reference is relevant merely because cited.

The Examiner is requested to initial the attached Form PTO-1449 and to return a copy of the initialed document to the undersigned as an indication that the attached documents have been considered and made of record.

Respectfully submitted,

NIXON & VANDERHUYE P.C.
